HOSTEL RULES & REGULATIONS

Most of the rules have been promulgated earlier and have been in existence previously. As the student strength has gone up, it has become all the more important that these rules are followed for benefit of all. Given below are the rules which are not really new (except a few), but are reminders of some of the existing rules. We are looking forward to your cooperation. These rules are to be read in conjunction with other rules and regulation passed down from time to time.

- Students must maintain discipline at all time and adhere to hostel timings and rules & regulations.
- Any damages found in rooms, children occupying the rooms will bear the expenses irrespective of who caused the damage. Damages in the common areas will be charged to students using those areas.
- Students are not permitted to carry any cash with them; any excess cash found will be confiscated immediately.
- Possession and use of cell phones are strictly prohibited. Severe action will be taken against those found in possession of mobile phones, which will be broken and not returned.
- Any student found with electronic goods such as iPods, laptops, cameras will be confiscated by the HP and tagged and submitted to the Hostel In-Charge.
- Parents are allowed to visit their children every Saturday & Sunday but can take them for outing **only on the second weekend** of every month.
- In case a child returns late from his vacation which is nearing a second Saturday, he / she **will not be allowed to go out again on** the second Saturday along with the **1000/- per day** fine.
- Parents visiting the school for any official work are not permitted to meet their children during weekends. No parents will be allowed into the hostel at any circumstances to meet their children apart from visiting days.
- In case of an emergency, the school management needs to be notified at least 3 days in advance.
- Students leaving before vacations begin and returning late from vacations will have a per day fine of Rs. 1000/- attached to their account for the extra days of leave taken. No negotiations will be done.
- Students going home by themselves need to get a written application from their parents or local guardian and signed by the Principal, AO, Hostel In-Charge.
- Female students should not be found wearing revealing clothes in the school campus and inside the hostel.
- No flashy jewelry and make up is allowed to be worn in the school campus.
- **MOST IMPORTANTLY : Students and parents need to understand that this is an International school only when it comes to the education system, but we still have to honor and abide by the Indian culture. So parents & students are requested to cooperate and follow the same.**
