

Group	IGCSE Students 2015-2016
1 st Language	English
2 nd Language	Hindi, French, Spanish, English, Japanese
Humanities and Social Sciences	Global Perspectives, Economics, History, Geography
Sciences	Physics, Chemistry, Biology
Mathematics	International Mathematics
Creative, Technical and Vocational	Music, Art and Design, Drama, ICT

IGCSE students have the opportunity to achieve the prestigious Cambridge ICE (International Certificate of Education) award. The ICE award gives students the opportunity to benefit from KiiT International School's broad and balanced curriculum by recognizing the achievements of those students who pass examinations in at least seven subjects, including two languages, and at least one subject from each of the other subject groups. Learning experiences are at the heart of the IGCSE program. The IGCSE develops the learner's understanding, motivation, and skills. Completion of our IGCSE program provides an ideal foundation for the IB Diploma Programme.

IGCSE	Grade	Admission & Registration	Composite Fee	Total (Per Annum)
Day Boarders	8, 9 & 10	Rs. 26,000	Rs. 4,27,700	Rs. 4,53,800
Full Boarders	8, 9 & 10	Rs. 26,000	Rs. 4,68,100	Rs. 5,14,000

Fees are all inclusive **10% discount on composite fee for girls * Payable in 3 Instalments ****Readmission fee of Rs. 5000/- per annum ***** Outstation CAS trips & Examination fee extra as per actuals.*

IBDP (Geneva)

The International Baccalaureate Diploma Programme (IBDP) is a rigorous two-year course of study in Grade 11 and 12, designed to prepare students for the challenges of university studies and life beyond. The balance of a demanding academic program and the all-round development of personality is the hallmark of the IBDP. Six subjects are taken at either Higher Level (HL) or Standard Level (SL). HL subjects (240 teaching hours) represent the depth in studies and are chosen with university programs and future aspirations in mind. SL subjects (150 hours) represent the breadth and underpin the IB's philosophy of academic balance. Normally three subjects are taken at HL and three at SL. Students choose one subject from Groups 1 to 6. Students have the option not to take a Group 6 subject and replace it with a second subject from Group 3 or 4. Final external exams are taken after two years.

Group	IBDP Subjects 2015-2016
English A	English Language & English Literature
2 nd Language	Hindi, French, Spanish, Japanese
Individuals and Societies	Economics, Business and Management, History, Geography, ITGS, Environmental Systems & Societies
Experimental Sciences	Physics, Chemistry, Biology & Environmental Systems & Societies
Mathematics & Computer Science	Math HL, Math SL & Computer Science
The Arts and options	Visual Arts

The core requirements are arguably the most unique feature of the IBDP and are central to the philosophy of the Diploma Programme. These three aspects develop, nurture and extend the students' skills and attitudes to ensure their active contribution to life around them, both at school and beyond. Distinguished universities the World over, including here in India, hold the IB Diploma in high esteem as an excellent qualification to facilitate seamless admission into any undergraduate programme.

IBDP	Grade	Admission & Registration	Composite Fee	Total (Per Annum)
Day Boarders	11 & 12	Rs. 30,000	Rs. 4,62,000	Rs. 4,92,000
Full Boarders	11 & 12	Rs. 30,000	Rs. 4,95,000	Rs. 5,25,000

Fees are all inclusive **10% discount on composite fee for girls * Payable in 3 Instalments ****Readmission fee of Rs. 5000/- per annum ***** Outstation CAS trips & Examination fee extra as per actuals.*

Boarding

Boarding at KiiT International School for students from across India and around the World is like a home away from home. Rooms are spacious and Well-furnished. The boarding facility is air-conditioned and Wi-Fi enabled. Girls and boys facilities are administered by their respective House Parents and overseen by the Director of Boarding. Our dedicated House Parents stay on campus with the students to look after their each and every need, be it academic or personal.

Special attention is given to the junior boarders who are under the motherly care of trained lady attendants throughout the day and night. The school ensures the safety and security for all students. There is a 24-hour vigil around the campus. Only parents and authorized guardians are allowed to meet their children during visiting hours. Regular visits, excursions, outings and shopping tours are organized for boarders on Weekends.

Counselling

University and career guidance counselling is an integral part of our education programme, facilitating the transition into KiiT University, other institutions within India, or universities and colleges in other countries. KiiT International School emphasizes the development of life and study skills from the early years until

graduation. On-campus professional personal counselors are available for students, or any member of our community, to ensure that all emotional needs are addressed.

Infrastructure and Facilities

Our purpose-built green campus, located in a clean and unpolluted environment, helps provide a world-class education facility for all students. Residences, multi-purpose halls, libraries, state-of-the-art science labs, an on-campus medical centre, and the multi-cuisine cafeteria are all air-conditioned along with a fully Wi-Fi enabled campus.

Sports, Recreation & Art Activities

Activities are an integral part of a student's life which help develop interests and abilities beyond the regular curriculum. All students participate in activities, which are conducted under the supervision of a qualified instructor.

Sports facilities include badminton, tennis, squash, volleyball and basketball courts, an indoor swimming pool, large and small grass playing-fields for Soccer, Rugby, Cricket, Hockey, Kabaddi and access to the KiiT indoor and outdoor stadiums which house many facilities including gym and billiards rooms.

The scientifically designed, structured Edu-Sports programmes help physical education & sports acquire the same level of rigor and focus that exists in academic subjects in schools.

Co-scholastic Activities: Martial arts, Horse Riding, school band, chess, carrom, yoga and an endless list of clubs. Artistic Activities include: Music: Vocal, Tabla, Guitar, Violin, Keyboard, Drum, Piano, Dance: Odishi, Kathak, Contemporary, Hiphop, Ballet, Jazz. Visual Art: (Oil Painting to installation).

Embodies a Commitment to Quality Education

Ranked **1** in Odisha
2 in Eastern India
10 in India (Education World)
A+++ Category (Pioneer Group)
Ranks amongst top 20 schools in India
(Engineering Watch)

The KiiT Group of Institutions: Continuity in Education

The KiiT Group of Institutions includes KiiT University and its 23 schools on 17 campuses. KiiT University, the youngest university to be accorded university status, has a worldwide reputation for its various programmes in management, technology, science, medicine, biotechnology, law, and many more.

KiiT International School completes the design of an educational programme stretching from Kindergarten to the doctorate level. As KiiT International School students graduate from either the national or international curriculum to meet the eligibility requirements for KiiT University, all educational needs can be taken care of under the KiiT educational umbrella.

Achyuta Samanta Founder, KiiT & KISS

School Education is the foundation for a student's life. Unless and until the quality of education at the school level is improved, it is foolish to expect quality in higher education. KiiT International School has truly been a milestone for the state of Odisha as it provides global learning experience for its students, seeking to establish benchmarks for quality education for all-round development.

Iconic Writer Padma Bhushan Ruskin Bond Brand Ambassador, KiiT International School

KiiT International School embodies a commitment to quality education that is of an exceptional order. This has been possible because of its willingness to embrace global educational practices based on intensive research and modern pedagogy. Students are encouraged to explore, discover and learn for life, so that what is planned in the curriculum transforms into a meaningful process of unraveling concepts, ideas, perspectives and values.

Dr. Mona Lisa Bal Chairperson

KiiT International School works on the premise that all students can learn, and each is a unique individual with equal potential to make a positive contribution to society. It is important to kindle enthusiasm for lifelong learning in each student along with the skills necessary to prepare them to face future challenges. The school constantly strives to update its curricula & methodologies in order to address the challenges of the global World.

Mr. Pradip K. Das Director

I am honoured to be associated with KiiT International School. It's wonderful to see the passion of the visionary leader and founder, and everyone involved in providing quality education to the students. I am sure all those who pass through the portals of KiiT International School will make a difference in the world.

Dr. Geoffrey Fisher Member, Advisory Board

Having just been integrated with the KiiT family, I look forward to a very productive and fulfilling experience in this unique institution. My long years of active association with school education internationally will possibly provide the School with the right kind of impetus to add many more feathers in its kitty.

Mr. Sanjay Suar Principal

As a young, dynamic and forward looking institution, KiiT International School works with missionary zeal to imbibe in its students a sense of values and ethics, a spirit of service and understanding and empathy for others. The team work and dedication of the KiiT fraternity has successfully transformed its unlettered enthusiasm into a talisman for excellence.

Welcome to KiiT International School

KiiT International School is led by its senior management team of experienced educators.

Mission

Enriching childhoods with
Knowledge, Intuition, Innovation & Transformation...

Vision

KiiT International School will lead and engage minds, transform lives and serve others with compassion and empathy in a global ambience.

We believe

- Each student is a unique personality who deserves to be treated respectfully and with understanding.
- The school must provide every student the opportunity to tap his potential and to give his best through well-planned curricular teaching, absorbing extra-curricular activities and programs.
- Children value and respect themselves while appreciating and understanding differences in others.
- A happy staff is a motivated and unified team, supportive of each other, and committed to the students unconditionally.
- Learning is a tapestry of discovery and joyful insights that is fostered by collaborative learning systems, creative and innovative methodology, and intense pedagogical research.
- A positive, safe and purposeful ambience ensures a productive environment for a child to develop the confidence and skills of a lifelong learner.

Our Teachers

KiiT International School understands that the quality of any school lies in the quality of its teachers. Our experienced faculty includes teachers from India and around the world. Each of our teachers is dedicated to the development and growth of our students.

Early Childhood (ages 3 and 4):

As part of the CBSE system & PYP, the Early Childhood Programme allows for extended periods of time to explore, investigate and play with a variety of materials. Children will be able to learn about themselves, other people and the world around them. They are encouraged to proceed with this learning process that will expose them to reading, writing, art, construction, imaginative play and nature study.

Early Learners (ages 5-10):

Early Learners are encouraged and guided to grow, develop and enter into the adult world as: inquirers, communicators, caring, open-minded and well-rounded KIIITIANS. They apply the above attributes to all subject areas of the curriculum: Languages, Mathematics, Science and Technology, Social Studies, Multimedia & IT, Visual Art, Music and Drama, Social and Physical Education. Core subjects and visual arts are taught by the Kinder-Orland teachers. Specialist teachers take care of: physical education, music, information technology (IT), mother tongue languages, etc.

Curriculum, Teaching and Learning

In today's rapidly changing world, there is little doubt that the 21st century learner must be equipped with knowledge, skills and attitudes which are different than those of the previous generation. At the same time, KiiT International School recognizes the Wisdom to retain and reinforce the values and culture of the region and the country. Special training for professional careers, interaction with eminent personalities, organised National & International Tours, well planned field trips prepare the students for effective leadership in a global world.

- Keeping this balance in mind, KiiT International School offers both national (CBSE) and international (CBSE-i, IGCSE and IBDP) curricular streams. All of these curricula are recognized for their holistic approach to learning.

Academic Facilities

- KiiT International School's purpose-built campus provides a world class standard of education. In all of the programmes, the CBSE, CBSE-i, IGCSE and IBDP, the teaching-learning process is student-centered and skill-based. Our programmes are also supported with extensive IT facilities and a variety of enrichment programmes which enhance the students holistic development.
- Well-lit air conditioned classrooms with modern teaching aids like: Internet connection (Wi-Fi), Audio Visual facilities, NIIT e-guru maths Lab, Virtual Edu Technica, Language Lab, Smart Classes, Renaissance, Mind Speak, British Council Programs, ASSET, KiiT-IAPT Anveshika Centre, Early Childhood Care Training Centre.
- Special coaching for NTSE, KVPY, SAT, TOEFL, OLYMPIADS, JEE (E & M) through study materials provided by AKASH, ALLEN, BANSAL, NARAYANA, RESONANCE & FIITJEE (from grade VI & above).
- Special orientation for CPT, CS, Integrated MBA& CLAT by IMS, Career Launcher & Online diagnostic tests by ASSET.
- ETS Certified TOEFL IBT authorised Test Centre.
- Provision for Integrated VST (very similar test) and AITS (All India Test Series).
- Career and guidance counselling.
- Tie-ups with universities abroad.
- Organised National & International tours.
- Field trips to museums science parks, educational institutions, industries, historical monuments and religious places.
- Frequent interaction of students with eminent personalities Nobel Laureates & Scientists.

CBSE & CBSE-i (New Delhi)

The Central Board of Secondary Education (CBSE-i) is offered from Nursery to Grade-VII and then CBSE from Grade-VIII to XII. The CBSE represents our foundation curriculum and is followed by all students until the completion of Grade-VII.

This foundation curriculum is integrated with a theme-based, interdisciplinary approach which includes experiential and hands-on learning making it appropriate to accommodate students from different educational systems.

International Curriculum: IGCSE (Cambridge)

The International General Certificate of Secondary Education (IGCSE) programme is offered in Grade 8,9 and 10. The IGCSE sets clear goals for learners in the form of external examinations held every Feb-March. These reliable and rigorous standards ensure a high quality education is maintained. We are the only authorized CIE examination centre in the state of Odisha.
